## GRADUATION

It is presumed that all graduates have received detailed information concerning participation in the graduation exercises scheduled for 2 P.M. in Frederic Burk auditorium, Friday, August 2. There is a correction to be made: Graduates will congregate outside the Activities room by 2 o'clock, not in that room.

Following the exercises, a reception to graduates and their guests will be held in the Activities room, from 3:15-4:30 o'clock.

Graduation invitations may be secured from Mrs. Olga Perkins in Room 102, 10 for each graduate.

## INTERESTING PLACEMENTS

The romance of distant lands has lured some of our graduates. Jane Dean, class of '39, will be teaching in Arabia; Phyllis Bass, '43, has gone to Fairbanks, Alaska; Alice Dawson, of '39, to Panama; and Adele Hopper, '40, exchange teacher to Hawaii.

Stepping up to administrative posts are the following: George Eisenhart, '35, principal in Santa Clara; Barry Leach, '45, principal of Marina School, Monterey County; Al Sylva, '35, principal at Aztec School, Kern County; and Jack Martin, '39, principal of Greenfield School, Martinez.

Other placement's of interest: Harry Meyn, '36, newly appointed to Music Dep't, Santa Rosa Jr. College, where he will be associated with another S.F. State graduate, Chester Beck; George Mirande, '38, head of Rec. Dep't, San Leandro; Vernon Noble, '41, Brentwood High; William Pedler, '36, educational work at San Quentin; Jean Stanbridge, '46, Music, Carmel Elem. School; Ralph Mason, '36, physical education at College of the Pacific.

Questioned as to the demands for teachers, Mrs. Downey stated that the need for elementary teachers continues unabated. The slack, however, seems to be pretty well taken up in a number of high school areas, particularly in men's P.E. Oddly enough, she continued, there were more calls for women P.E. teachers than there were candidates.

The same course will be offered on the regular fall semester program under Dr. Murphy, and will require regular attendance.
